### 3. Safety and Security Matters

#### a. Requirement for Visitor's Registration

The safety of your children is of paramount importance to us. All visitors to the school are required to report to the Security Guard Post for registration before proceeding to the General Office. Please display the issued "Visitor Pass" visibly at all times as unauthorized personnel around the school will be asked to leave immediately. Parents/guardians are not permitted to go near the classrooms. If you are waiting for your child/ward, please do so at the designated area as instructed.

#### b. Drop-off / pick-up points

For safety reason, parents who drive your children to school are not allowed to drive into school compound. You may drop-off / pick-up your child/ward at the nearby HDB car parks at Blocks 161 or 162. You are strongly advised not to drop-off / pick-up your children along Yishun Street 11 which is against traffic rules and to reduce traffic congestion. However, on rainy days, you will be allowed to drive into the school compound.

### c. Road Safety Measures

All students have been taught to practise kerb drill when crossing the road. We seek your support to reinforce road safety messages to your child/ward and encourage parents to set an example for them by using pedestrian crossings when crossing roads at all times, especially for students who are using the main gate (Gate A).

- Road Crossing - For students entering the school via the main school gate (Gate A)  
Students are to cross the street -Yishun Street 11 – by using the pedestrian traffic light located just outside the main gate.
- Road Crossing - For students entering the school via Gate B which is near the bus stop  
There is a zebra crossing located near Block 123 along Yishun Street 11. Students are to make use of this zebra crossing if they are crossing this street to enter the school via Gate B.

### d. Cycling to school

All cyclists are required to complete a permission form which is available from the General Office. If your child / ward must cycle to school, please ensure that he / she knows safe cycling rules and is a competent cyclist. Protective gear such as a properly secured helmet, shoes (with laces properly tied), elbow and knee pads are to be worn to protect against serious injuries.

### 4. Health Related Matters

All parents are to ensure that your children know the importance of personal and social responsibility. Students are to maintain a high standard of personal hygiene and observe school routines such as washing of hands and wipe down. If your child/ward feels unwell, he/she should not attend school and should see a doctor. We encourage students to pack a spare mask in their school bag for use should they start to experience flu symptoms while in school.

### 5. Update of Student Details

MOE has rolled out the Student Details Form (SDF) to all Parents/Legal Guardian (LG)/Authorised Caregiver. The SDF is the digitalisation of the Pupil Data Form (PDF) and the Individual Student Details Report (ISDR). Parents/LG can provide both sets of data in one single session when you login to the SDF portal. A separate notification will be sent via Parents Gateway (PG) centrally by MOE. Please look out for the notification in due time and update your child/ward's details accordingly. The deadline to complete SDF submission is 31 January 2023.

### 6. School Bags

We encourage our students to carry bags made of lightweight material and to avoid carrying heavy and fanciful water bottles, big boxes of colour pencils or books not required for the day. All students are advised to pack their bags according to the class timetable.

## 10. Nominations for Staff Award – President’s Award for Teachers (PAT) 2023 and Outstanding Youth in Education Award (OYEA) 2023

The President’s Award for Teachers (PAT) gives national recognition to the role teachers play in moulding the future of our nation. These teachers prepare our students for life, as well as model commitment to continuous learning and enterprise. They inspire both their students and peers through their words and deeds.

The Outstanding Youth in Education Award (OYEA) recognises young teachers, aged 35 and below, who are role models for the teaching profession. These teachers personify youthful idealism, enthusiasm, and inspire their students and peers.

Nominations for both awards can be submitted online ([go.gov.sg/pat2023](http://go.gov.sg/pat2023) and [go.gov.sg/oyea2023](http://go.gov.sg/oyea2023)). The links to the online nomination forms can also be found on the Academy of Singapore Teachers website ([academyofsingaporeteachers.moe.edu.sg](http://academyofsingaporeteachers.moe.edu.sg)). Hard copy nomination will not be provided, in support of MOE's sustainability and digital efforts. Nominations for OYEA and PAT will close on 11 January 2023.

As a parent, you are the key navigator of your child's growth. Your child will benefit the most when we put your child at the heart of what we do, and when we understand our shared responsibilities for your child and work together to bring out the best in your child. Having a close relationship with us will help you to better understand your child's learning experience in school, so that you could provide the necessary family care, support and reinforcement at home. Here are some tips that you could consider to support your child's learning:

- Praise your child's good efforts, not only his / her successes
- Do not dwell on mistakes and academic marks. Rather, always encourage your child to strive for improvement
- Give your child the confidence to seek help from his / her teacher

We look forward to working in collaboration with you. Together, let us develop and nurture our students with good values, attitudes and mindsets for excellence to prepare them well for the future. I would like to extend our appreciation to our well-wishers who have sent us cards, messages as well as words of encouragement. These little gestures have meant a lot to all of us at AIPS as they affirm what we are doing. Please keep them coming.

**Wishing you and your family good health and happiness and a Happy Chinese New Year!**

Warmest Regards,

Ms Ong Lee Choo  
Principal
