#### 2. School Emergency Preparedness Exercise on Tuesday, 16 May

We wish to inform you that our School will be conducting an emergency preparedness exercise on Tuesday, 16 May. As part of the SGSecure framework to safeguard Singapore and our way of life, this exercise aims to ensure the safety and well-being of all students and staff by preparing them to respond to emergencies in the school premises and be familiar with the safety and evacuation procedures.

SGSecure is a movement to build the resilience of our community and aims to sensitise, train and mobilise the community during emergencies. SGSecure focuses on **three** core actions that every one of us can do during emergencies:

- Staying Alert (Vigilance) to prevent and to keep your family, friends and yourself safe in the event of a emergency.
- Staying United (Cohesion) through building strong ties in the community; cherishing and safeguarding Singapore's racial and religious diversity and harmony so that we can stand together in peacetime and crisis; and
- Staying Strong (Resilience) by being ready to deal with a crisis, being resilient as individuals and as a community, to help each other bounce back quickly after a emergency.

For more information on SGSecure, pls refer to <https://www.sgsecure.gov.sg/>. The well-being of all students and staff is important to us. We seek your understanding and support for the upcoming emergency preparedness exercise.
